

## French Elections 2022 - Workshop

The PSA French Politics and Policy network are pleased to invite you to our upcoming French election webinar, which aims to look back on the presidential election and forward to the upcoming legislative ones.

The event runs **10:30-16:30 on 24 May**, and features numerous speakers tackling issues ranging from the future of the Left in France to explanations of electoral behaviour.

Attendees are of course also welcome to attend for only part of the day.

We attach the event flyer with details of the speakers, panels, and round-table topics, and we would be grateful if you could circulate information about the event to your networks.

The event is kindly co-hosted by the Queen Mary University of London School of Politics and International Relations and **you can register by visiting the Eventbrite page:**
