TEACHING & LEARNING NETWORK

ABOUT US

THE TEACHING AND LEARNING NETWORK IS A COMMUNITY OF PRACTICE FOR ACADEMICS AND HIGHER EDUCATION TEACHERS, WHERE BEST PRACTICE CAN BE RECOGNISED, SCHOLARSHIP AND RESEARCH DISSEMINATED, AND UNIVERSITY TEACHING SUPPORTED.

Building on over a decade of work as a PSA Specialist Group, the remit of the Network is:

- To enable all politics academics/HE teachers to share the good and innovative practices that they have developed, within a community of practice
- To support the production and dissemination of research and scholarship relating to the teaching and learning of politics
- To support the PSA in contributing to policy relating to HE matters, including the TEF
- To support early career academics in developing their practice as university teachers
- To support the development of politics students as critical and independent learners, able to contribute to economic, social, and political wellbeing as active citizens

**ALL ACADEMIC AND EGN PSA MEMBERS ARE
AUTOMATICALLY AFFILIATED TO THE NETWORK!**
